Mercy rules applies as follows: When there is a 5 goal difference in the 3<sup>rd</sup> period the clock will change to running time and will NOT revert back to stop time. During run time penalties will be: Minor penalties 3 minutes and major penalties will be 7 minutes.
14. If at the end of regulation time, the game is tied, the tie breaking procedure will be sudden death shoot out. (Shooter one from each team will shoot: if home team scores and visiting team does not than home team wins, if neither team score we will carry on to shooter 2 from each team and so on until a goal is scored) teams must follow their shoot out list. If a team exhausts their list before a goal is scored than they may start from the top of their list, at this time the opposing team may do the same. Shoot out will take place at center ice with both shooters ready to go, home team will shoot first and then the visiting team as directed by the referee.
15. There will be no time outs allowed except for championship games, when each team is allowed a one minute time out.
16. Decisions of the tournament director are final.
